## Custom Outdoor Kitchens

Kitchen Grade 304 Series Stainless Steel

Our outdoor kitchens are custom designed to your needs and specifications and allow you to bring your own individual flair and elegance to your outdoor entertainment area, or indoor workspace.

Constructed of 18 gauge, 304 Series Stainless Steel sheet over a frame of 1" square, Stainless Steel tubing. These kitchens are durable, easy to clean and virtually maintenance free.

Quality and craftsmanship is clearly evident by the seamless unnoticeable welds and the standard #4 Brush finish that is very attractive in appearance.

Cabinets are available in any custom size or configuration. Whether its just a counter top or counter top and cabinets, we can accommodate your needs and give you the options you desire.
